August 2020

Dear Students and Parents/Guardians,

Welcome to the 2020/2021 School Year!

To better accommodate our growing student enrollment, we have expanded our Specials/Elective classes.

This expansion may or may not have changed when your student has a specific class such as PE, Pima Culture, Media, or music/band.

Students are receiving this information through their core content classes.

For your reference the schedule for Ms. Ashley’s students is below.

We are excited to welcome you back, we have missed you, and we look forward to the time we can all be together again on campus.

If you have any questions, please call the middle school office at (520)562-8600 x2000.

6th Grade
